# My new school Bidwill Public School

This is my new school. It is called Bidwill Public School

These are the gates where I go into my school.

Here are some teachers. My teacher and the other teachers at school will look after me while I am at school. I can ask my teacher to help me if I need help. My teacher cares about me and likes to know about me.

I can have a lot of fun at school and learn a lot of things. I might see some old friends there and make some new friends.

Sometimes I might miss my family while I am at school. Some children might even cry a little bit because they miss their family but the teachers and other staff will help them to feel better.

I wear my uniform to school. I wear my hat outside to protect me from the sun.

I have a school bag with my crunch and sip, lunch and drink inside. My name is on everything. This is where I put my bag when I am at school.

I eat my crunch and sip and lunch at school. I eat healthy food to help me feel good and to grow strong.

These are some Kindergarten classrooms where I have learn and have fun with the other children in my class.

There are tables and chairs in the classroom and a space where all the children can sit to listen to the teacher read us a story or to help us to learn new things. I can learn about reading, writing, numbers and lots of things because I am a Super Learner!

There are many books at school. I can listen to my teacher read a story and I can also learn to read books too. I can even take books home to read with my family. Reading is exciting!

When I am learning I do the 5L's of listening.

I always line up in two straight lines and I walk in two straight lines.  
I am safe when I walk on hard surfaces.

This is the playground. It is fun to talk, laugh and play with my friends in the playground at lunch time.

I remember to use the playground equipment safely, keep my hands and feet to self and use kind words on the playground.

This is the school office. These are some of the staff who work in the office. Sometimes children take messages to the office. I would like to do that one day.

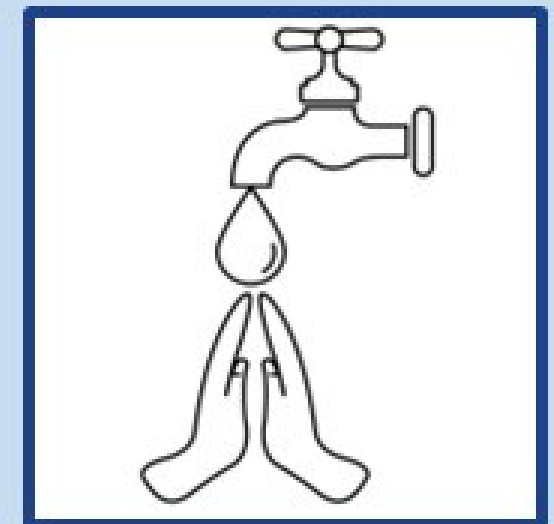

My school has a special place called a library with lots of books. I can borrow some books to take home in my library bag so my family can read them with me.

There are toilets at my school. The teachers teach all of the new children about where the toilets are and how to use them. I am glad about that because it is very important to know about the toilets. There are toilets for the boys and toilets for the girls. I always flush and wash my hands after I use the toilet.

Another thing that you need to know is that there are school days, and weekends and holidays. Monday, Tuesday, Wednesday, Thursday and Friday are school days and Saturday and Sunday are the weekend days. You don't go to school on the weekend or in the holidays.

All of the children have someone who picks them up after school. The teachers look after me until I am picked up. Some children might go home with their mum or dad or another person who looks after them. Some children even go home on a bus.

When I am going home I say  
goodbye and smile and wave  
to the teachers and the other  
children.

So, is there anything else you  
would like me to tell you  
about my new school?
